

Procedure for the exercise of voting rights by proxy

Eligible shareholders who do not want to participate in the Shareholders' Meeting personally may exercise their voting rights via an authorized representative (proxy), particularly via a financial institution, a shareholders' association, an instruction-bound proxy voting agent of the Company or any other person. Also in this case, proper registration is required; proof of the principal's shareholding is required in such cases as well. If a shareholder delegates his voting rights to more than one person, the Company has the right to refuse one or more such person/s (section 134 (3) sentence 2 AktG).

If neither a bank nor a shareholders' association or another institution or person regarded as equivalent in section 135 (8) or (10) AktG is given power of attorney, the power of attorney is to be issued in text form to ADVA Optical Networking SE or in text form directly to the proxy. The same form applies for the revocation and the proof of the power of attorney with regard to the company. When a bank or a shareholders' association or another institution or person regarded as equivalent to these pursuant to section 135 (8) or (10) AktG is given power of attorney, only the statutory provisions (cf. section 17 (2) sentence 4 of the articles of association) shall apply, which among other things require that a verifiable record of the power of attorney be kept (section 135 (1) sentence 2 AktG). We therefore request the shareholders who wish to grant power of attorney to a bank, a shareholders' association or another institution or person regarded as equivalent to these pursuant to section 135 (8) or (10) AktG to obtain from the proxy to be appointed information on any special provisions to be observed in this respect.

Proof of authorization of a proxy must either be provided by means of a statement addressed to the Company or by the proxy on the day of the Shareholders' Meeting. This proof of proxy authorization may be submitted to ADVA Optical Networking SE via mail, fax or e-mail. Therefore, shareholders are asked to issue authorization via the authorization form provided by the Company in the following. Should authorization be given through a statement addressed to the Company, such authorization may be sent in text form to the following Company address:

UBJ. GmbH
w/ HV ADVA Optical Networking SE
Haus der Wirtschaft
Kapstadtring 10
22297 Hamburg
Germany

via fax: +49 40 6378 5423

via e-mail: hv@ubj.de

The authorization may of course also be presented by the proxy at the Shareholders' Meeting, on the day of the event.

As a service to our shareholders, we offer to represent them through representatives of the Company to be appointed by the Company. Shareholders who wish to grant power of attorney to the proxy voting agents appointed by the Company also require an admission ticket to the Shareholders' Meeting. Should representatives of the Company be appointed by a shareholder, the shareholder must instruct these representatives as to how the voting rights should be exercised. The proxy voting agents appointed by the Company will not use their power of attorney unless instructed accordingly, meaning that the voting rights of the particular shareholder would be lost. The representatives appointed by the Company are obliged to exercise the voting rights in accordance with such instructions. A form for issuing power of attorney along with instructions to the representatives of the Company can be found on the back and front of the admission ticket, sent to shareholders. This form is also available for download at <https://www.advaoptical.com/de-de/about-us/investors/shareholders-meetings>. For efficient processing, shareholders are requested to submit in text form all proxy voting authorizations and voting instructions, together with the admission ticket (preferably using the proxy authorization and instruction with the admission ticket) to the following address, for receipt no later than end of day on

June 11, 2018, 24:00 hours (day of receipt):
